REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 3807

GREAT LAKES ST. LAWRENCE SEAWAY DEVELOPMENT CORPORATION ADMINISTRATOR

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, as co-chair of the bipartisan Great Lakes Task Force, I rise today to urge the swift appointment of a permanent administrator to lead the Great Lakes St. Lawrence Seaway Development Corporation.

The Great Lakes St. Lawrence Seaway Development Corporation is the Federal entity responsible for operating and maintaining the U.S. portions of the Great Lakes St. Lawrence

Seaway. This 370-mile-long commercial channel runs from the Great Lakes, America's fourth seacoast, to the Atlantic Ocean, and then connects our ports with markets around the world.

With 40 million tons of industrial and agricultural cargo traversing the seaway each year, it is time to appoint an administrator, and especially in a time of war. We could be backfilling cargoes to Europe right now.

It is time to fill this vital position, and I look forward to a nominee who understands the needs of our region and is ready to partner with the communities, workers, and businesses of America's industrial and agricultural heartland.

CELEBRATING STEWART CANDY COMPANY'S CENTENNIAL

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to celebrate the Stewart Candy Company's 100th anniversary.

Founded in 1922 by James Ernest Stewart in Waycross, Georgia, the Stewart Candy Company has grown into a multimillion-dollar candy business that distributes their products nationwide.

From its humble beginnings, when Ernest would package his candies in cigar boxes and deliver them in his Model T, to a massive company that sells candies with the click of a button, 100 years is truly worth celebrating.

After Ernest's son, James, graduated from the University of Georgia and served 3 years in the United States Army, he came home to work at the family business.

James, better known as Papa, molded and fashioned Stewart Candies into a modernized business production fit for the next generation of the Stewart family. Four of Papa's six children came to work for the company and organized the Stewart Distribution company, a new division of the candy company.

Jump to today, and Stewart Candy Company is still making their pure sugar soft peppermints in many different flavors, such as banana pudding, key lime, and cinnamon.

The company has gone from just 3 employees to 240 employees and works every day to spread the joy of their candies to every American.

RECOGNIZING NATIONAL LIBRARY WEEK

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Mr. Speaker, I rise today to recognize National Library Week.

Libraries are the cornerstone of our communities. They provide access to knowledge and services. They expose us to ideas and information that help us better understand ourselves, each other, and the world around us. They connect our children to literature, media, and tutoring services. During the pandemic, they have played a critical role in ensuring access to the internet and technology.

I am so grateful for the exceptional libraries in my district, from the Cuyahoga County Public Library and the Cleveland Public Library to the Akron-Summit County Public Library, and all the libraries in between. I am grateful for their dedicated library workers who support northeast Ohioans from all walks of life.

This National Library Week, I thank our libraries and librarians for all they do to support an informed, connected community. I urge my colleagues to support robust funding for these centers of learning and opportunity.

JUDGE JACKSON WILL BE A RUBBER STAMP FOR BIDEN AGENDA

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Mr. Speaker, since before taking office, President Biden and his far-left base have openly expressed their interest in expanding the Supreme Court to create a super-legislature filled with unelected, liberal Justices determined to do the job of Congress and legislate from the bench.

After watching the nomination proceedings, I have no doubt that Judge Jackson will be exactly that, a rubber stamp for President Biden's agenda, not an impartial Justice who interprets the Constitution how it is written.

I believe Judge Jackson's repeated leniency in Federal sentencing cases toward prisoners in Guantanamo Bay, child sex offenders, and convicted criminal drug traffickers gives us a window into her activist judicial philosophy and renders her unsuitable to serve on the highest court.

On behalf of my neighbors in middle Tennessee, I urge both of our Tennessee Senators to vote "no" on confirming Judge Jackson.

HONORING THE LIFE OF ISIDORE "TEDDY" BERTONE

(Ms. MALLIOTAKIS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MALLIOTAKIS. Mr. Speaker, I rise to tell the Nation about the service of a World War II veteran, someone who became a friend of mine, Isidore Bertone, who on Staten Island we know as Teddy.

He was born on September 13, 1925, in Castiglione, a small village in Sicily. Teddy came to the United States with

his mother in 1937 to escape the fascist regime of Mussolini, who was recruiting teenagers into service.

In October 1943, at the age of 18, Bertone volunteered for the U.S. Navy during World War II. He served with distinction for 2½ years aboard the USS *Zircon* as part of the crew that rescued American sailors in the accidental sinking of an ammo ship off Boston Harbor during the D-day invasion of Normandy.

I first met Teddy after he wrote a letter to the editor on August 21, 2020, pleading for assistance after his request for help with proving his U.S. citizenship went unanswered. Having his citizenship paper was the most important thing to him because he loved this country so much.

I called President Trump's office, and within 4 days, on August 25, 2020, the citizenship office was in his backyard, swearing him in just weeks shy of his 95th birthday. To me, seeing this World War II veteran at the age of 95 being sworn in as an American citizen, was the most beautiful thing I ever witnessed.

Sadly, Teddy passed away on March 19, 2022, at the age of 96.

We miss you, Teddy. We all remember your service, and you are a hero to so many of us on Staten Island and across the United States.

REMEMBERING ROBERT "BOB" FOOTE

(Mr. MANN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MANN. Mr. Speaker, I rise today to commemorate the memory of Bob Foote, a tremendous Kansan who passed away on March 25.

Bob was a man of many talents. He built one of the largest cattle operations in America, feeding 550,000 head a year and employing 400.

He and his wife, Gail, also built an amazing family who will carry on his legacy and lead Foote Cattle Company into the future.

Bob had tenacity, grit, and confidence. He wasn't afraid to embrace an aggressive approach to business. His motto was "Get It," which he would say to remind those around him to never give up and keep pushing forward.

Bob was a staunch conservative who would often be found giving one of his trademark Bob Foote lectures on politics. He was a true patriot. Most importantly, now that he has gone into Heaven, he was a man of great faith.

From the farm and headquarters in eastern Kansas to ranchland in the Flint Hills and feed yards in western Kansas, I am hard-pressed to think of any ag producer who had such an impact on Kansas agriculture.

Whether he was buying cattle or sharing his faith and work ethic with his grandchildren, Bob believed that he should use the talents that God gave
